Making Your Booklet

STEP 1:

Watch My video on the next Page
(You will need five-six of these booklets to place together.)

STEP 2:

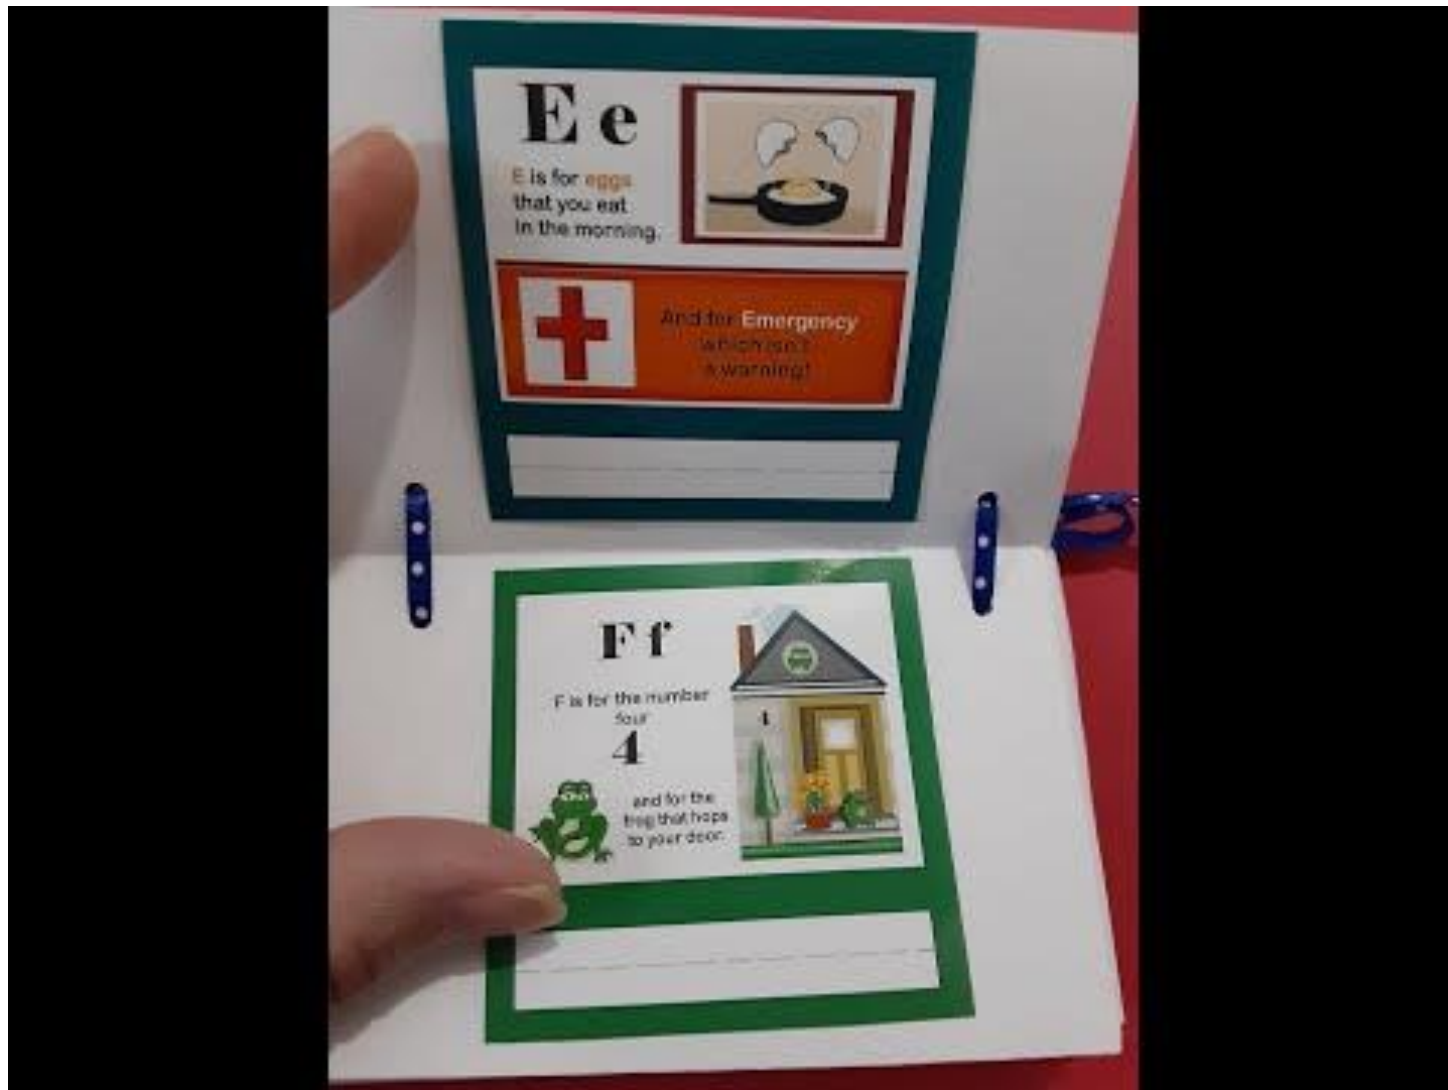

Stack the booklets on top of each other and use the measurements from the cover (included in these instructions) to set the holes needed to secure your book. Punch out the holes (mini punch) works best. (See the instructions for securing your book with ribbon.)

STEP 3:

I RECOMMEND PRINTING OUT THE FIRST FOUR PAGES

OF THIS DOWNLOAD ON PHOTO PAPER

Then Cut out the images and paste into the booklet.

Click on the image above to watch the video

Special “Thank You “ to Origami Twist for your booklet video!

Making A Book Cover

Draw a rectangle size $6.5 \times 4 \frac{3}{8}$
Fold At 3 inches and @ 3.5 inches

fold at perforations

TIP (Place a ruler on the perforation and hold down with one hand while bending the paper upwards with the other.
Use a mini paper punch to punch the dots.

Use this pattern (Book Cover) to trace your holes onto each section of your booklet pages. Then punch out the holes. Or measure in $\frac{1}{2}$ inch from the end of the booklet.

String your yarn or Ribbon through the holes leaving a tail on each end then string through the cover and so you have place to make a bow or knot.

placing your image:

You will want the writing on the cover to face you when centering your image to paste on the cover.
